The architecturally designed Davidson MK3 features 2 bedroom plus an extra multi-purpose room, providing many options for visitors or an extra hobby/office area. As soon as you step into the Davidson MK3, you are greeted by 9ft ceilings and a welcoming wide entrance foyer. These high ceilings are featured throughout the home and the designer kitchen features European appliances as well as 20mm stone benchtops. A refrigerator water access point plus a highly desirable walk-in pantry and under roof alfresco compliments the seamless transition from kitchen to outdoor entertainment area. Four zones of ducted air-conditioning allows you to stay energy smart plus enjoy gentle breezes with the ceiling fans in each room. Elegant bathrooms feature stone benchtops and frameless showers with floor to ceiling tiles. The RV garage provides you with 11 x 6m of space, large enough for the big rig or additional space for hobby/storage and peace of mind with secure side gate and Colourbond fencing.
